M2 Construction Managers Inc.

M2 is the construction company you need to take care of your next project. Our rapid growth from inception has been thanks to our clear and distinct objectives: to over plan and over deliver. Specializing in hotels and high-rise construction, we have the right team and trades in place to deliver the highest quality in design, engineering, project management and finished product.

Client relationships are as important to us as the final build. We ensure that our talented team of professionals establish solid foundations of trust and transparency for each client. Our approach has been one of "respected friends," and to establish relationships with integrity and accountability. Our emphasis on communication and maintaining a trusted partnership between all persons involved has — and will always — continue to set M2 Construction Managers Inc. apart in the construction industry.

Working on exciting hotel projects and condominium high-rise buildings within South Western Ontario, we are recognized in the industry for quality work and superb client relationships. If you're ready to start planing your next project, please get in touch for a quote.

To discuss your next project, please contact us at info@m2cm.ca

Commercial

Our teams have covered extensive condominium and high-rise building projects, inclusive of 22 George Street Condos and Hyatt Commercial Building in Brampton. M2 has extensive experience with developers across South Western Ontario, and is highly regarded in the industry.

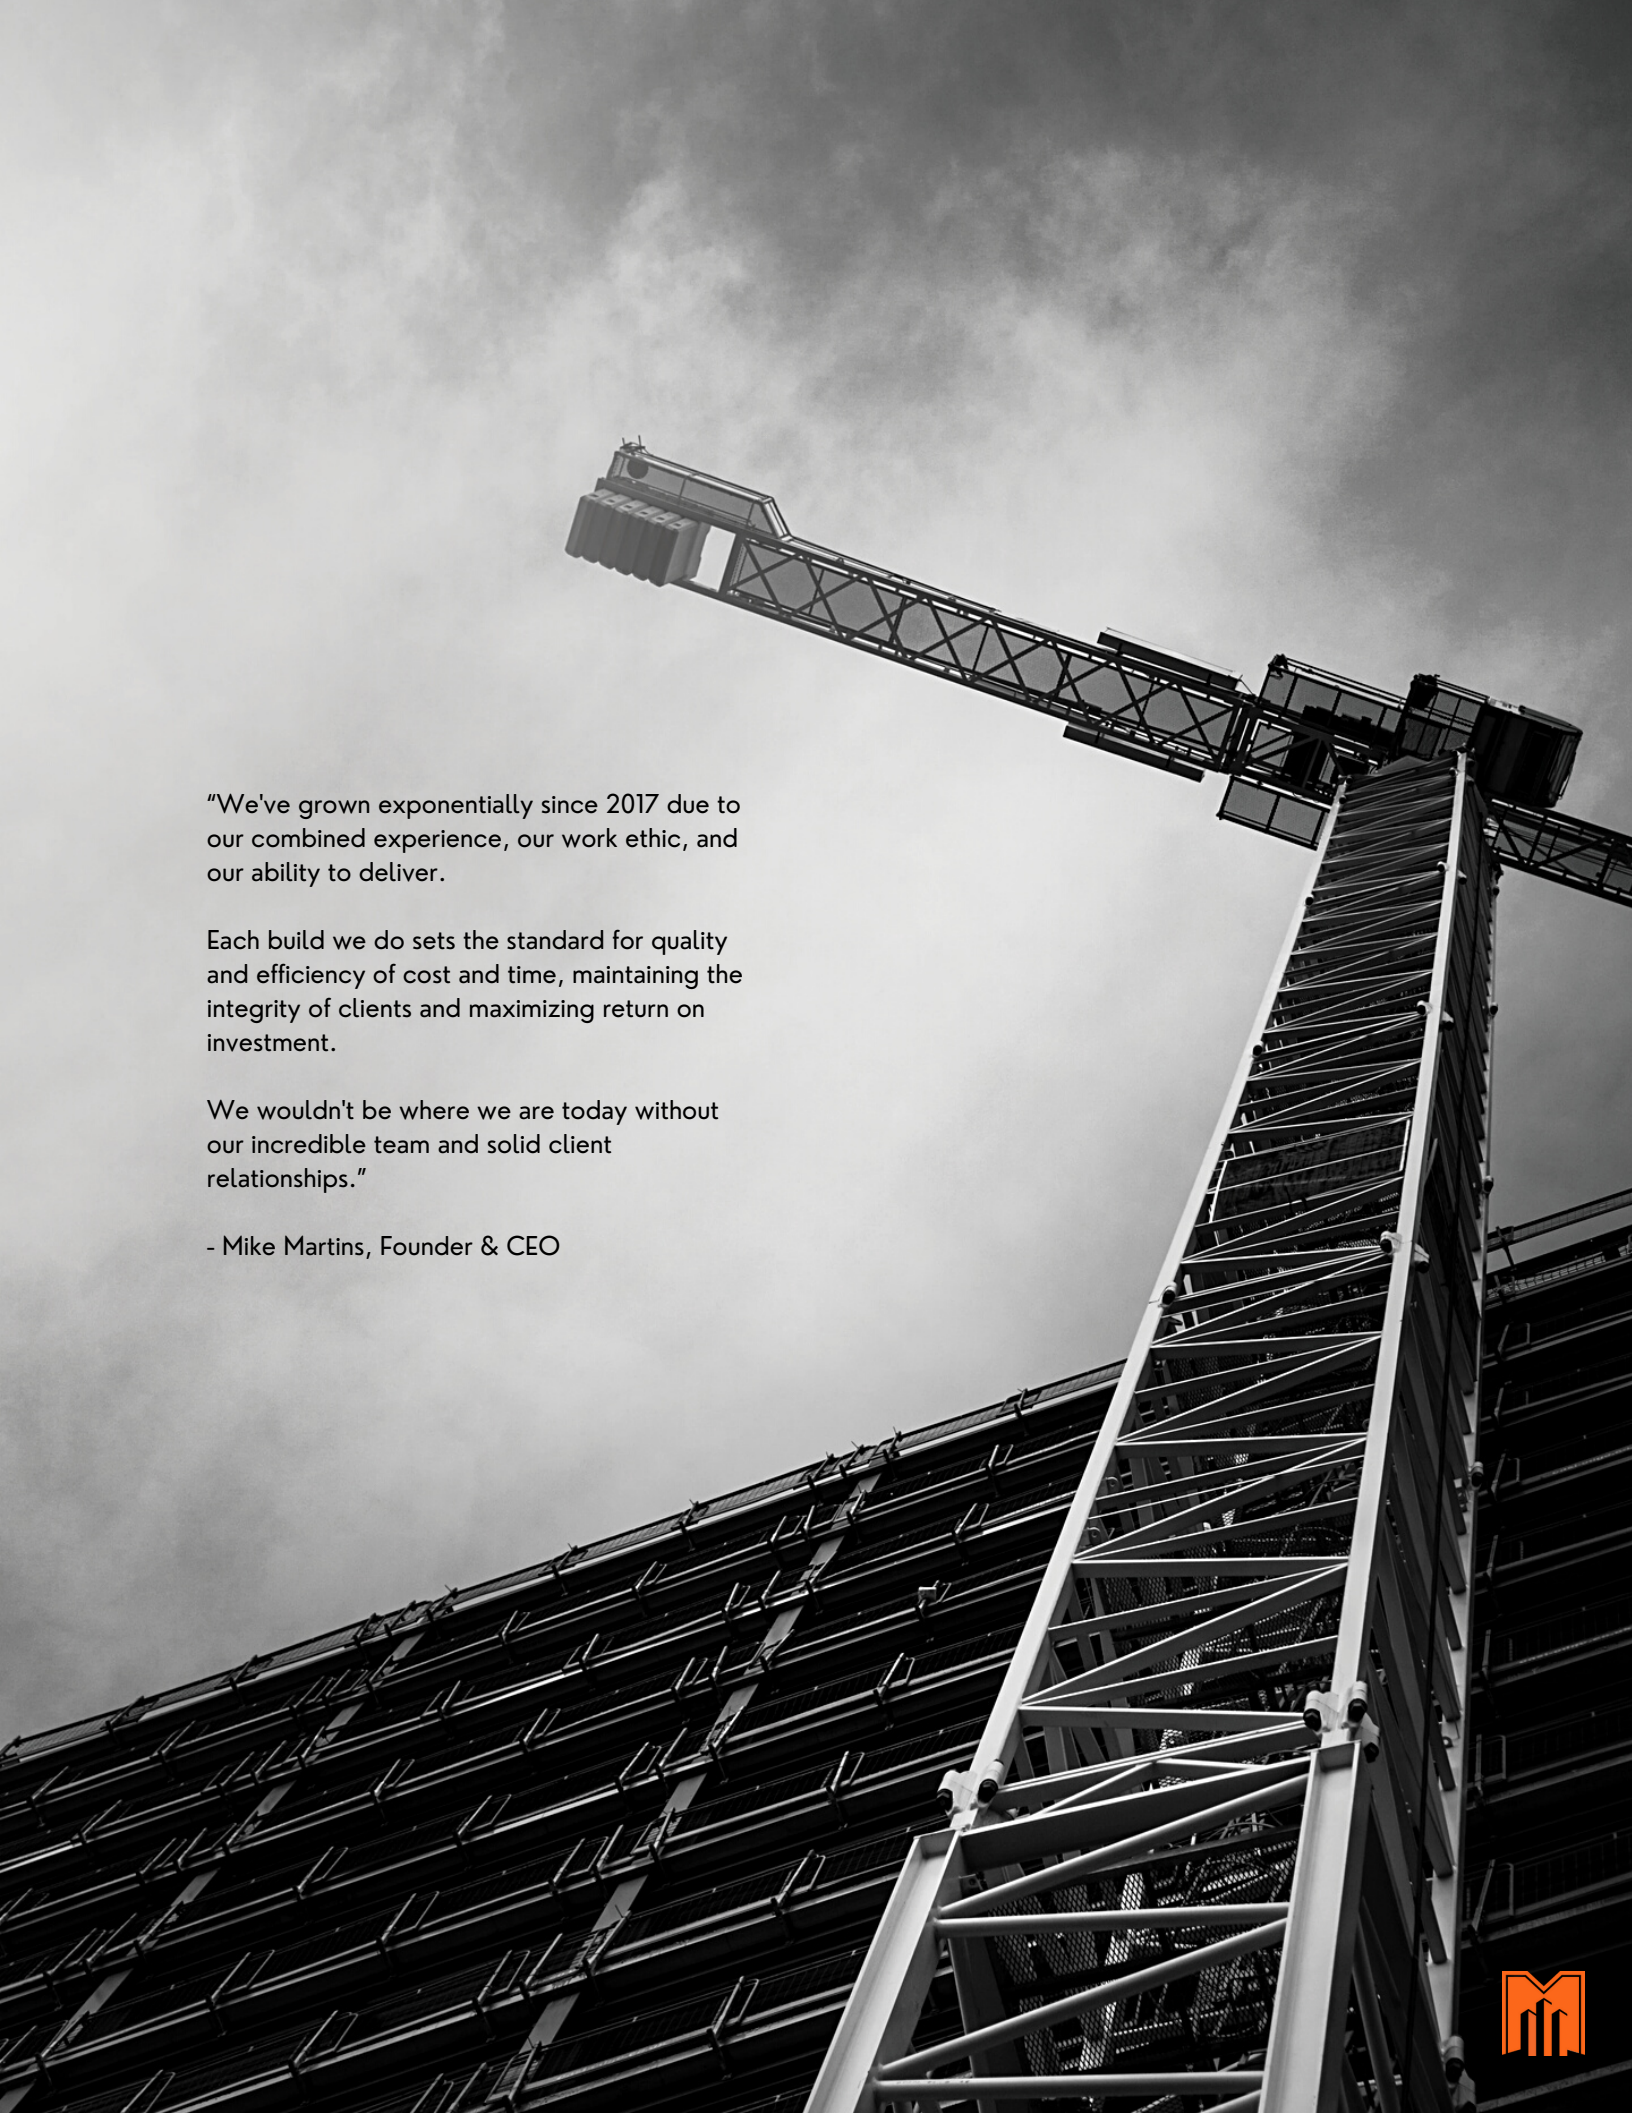

Multi Residential

M2 has worked with multiple hotel brands such as the Hyatt, Holiday Inn, Best Western, and Homewood Suites. We pride ourselves on the finished project, and enjoy seeing these community staples flourish.

"We've grown exponentially since 2017 due to our combined experience, our work ethic, and our ability to deliver.

Each build we do sets the standard for quality and efficiency of cost and time, maintaining the integrity of clients and maximizing return on investment.

We wouldn't be where we are today without our incredible team and solid client relationships."

- Mike Martins, Founder & CEO
